

ABOUT THIS MINISTRY

The Bible tells us that Jesus came to destroy all the works of the enemy, including sickness and disease. It is His desire for us to be in good health and to prosper.

“He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed.” (Isaiah 53:5 and 1 Peter 2:24)

Yet the Bible also tells us that God's people are destroyed for lack of knowledge. The enemy prowls about the camp of the righteous seeking whom he might devour. Due to our lack of knowledge, he has stolen ground in the lives of people that Jesus shed blood to redeem. The Body of Christ is full of sick, discouraged, wounded people -- conditions that render many unable to effectively serve God.

The Healing Rooms are a safe, caring place to come for confidential healing prayer. This ministry seeks to serve the Body of Christ by equipping them to fulfill the Great Commission:

“And these signs will accompany those who believe: In my name they will place their hands on sick people, and they will get well.” (Mark 16:17-18)

The Healing Rooms of Greater Syracuse is an all-volunteer organization -- no one receives any compensation. Our team is made up of over 50 volunteers from 25 Christian churches in the Central New York area. IAHR requires every healing team member to be in regular church attendance and to provide a letter of reference from their pastor in order to minister.

It is our **desire** to bring and perpetuate healing prayer to the Body of Christ. It is our **purpose** to bring healing prayer, equip, and release believers into healing ministry, according to Mark 16:17, so that the Body of Christ can bring healing to the world.

OUR AFFILIATION/COVERING

The Healing Rooms of Greater Syracuse are the only authorized International Association of Healing Rooms (IAHR) in the Syracuse area. IAHR is based in Spokane, Washington. There are over 1000 IAHR Healing Rooms worldwide.

As a member of IAHR, prescribed training was completed, an advisory board consisting of three pastors was formed, a statement of faith demonstrating unity with IAHR was submitted, and personal pastoral references were provided. IAHR also serves as our national spiritual covering, with local accountability being provided by the Pastoral Advisory Board. Regional and State Coordinators provide additional support and covering.

NATIONAL LEADERSHIP

IAHR is under the directorship of Rev. Cal Pierce, a man called by God to re-dig the healing wells of John G. Lake in Spokane, Washington. Cal not only re-dug the wells of healing, but God expanded his vision to see Healing Rooms in every city around the world. The Healing Rooms of Greater Syracuse is part of that vision.

WHO WAS JOHN G. LAKE?

John G. Lake started the first Healing Room in Spokane, Washington. During his ministry, from 1914 until 1935, there were over 100,000 documented supernatural healings. At that time, Washington D.C. proclaimed Spokane the healthiest city in the world.

"JESUS THE HEALER"

"Jesus the Healer" radio program, which airs daily at 8:15 AM, Monday - Friday, on WVOA 103.9 FM with FM translators: 95.3, 96.5, 98.1, 101.5, is sponsored by the Healing Rooms of Greater Syracuse. "Jesus the Healer" is designed to cause people's faith to grow by hearing life-changing testimonies and solid Biblical teaching on healing.

TRAINING/IMPARTATION

Jesus demonstrates in His Word how to pray for the sick. However, the Word also says that a student cannot be above his teacher and therefore needs to be fully trained (Luke 6:40). The Disciples spent over three years learning from the Master before He sent them out to fulfill the Great Commission.

Vince & Debbi Aquilino serve as the local directors of this ministry and as New York State Directors to IAHR. They have been thoroughly equipped to train and minister in the Biblical principles of healing, and to impart God's healing anointing to others.

It is our **desire** to bring and perpetuate healing to the Body of Christ. It is our **purpose** to heal, equip, and release believers into the healing ministry, according to Mark 16:17, so that the Body of Christ can bring healing to the world.

Is anything too hard for God?
